项目主页: <https://jenkins.io>

 选择“LTS Release”版本, 当前最新2.7.2

按照文档安装很简单: <http://pkg.jenkins-ci.org/debian-stable/>

Jenkins initial setup is required. An admin user has been created and a password generated.
Please use the following password to proceed to installation:
c7230226af748bc9eaf018233a3220a
This may also be found at: /var/lib/jenkins/secrets/initialAdminPassword
