怪事(json)年年有，今年何其多

```
{code=0000,
 charset=UTF-8,
 mId=51000001,
 rDesc=,
 cy=156,
 sendTime=20200316061253,
 cId=test-1,
 tType=01,
 pSt=02,
 oNum=TEST_1584339173825,
 pT=00,
 orSeq=20031614120015152511,
 omt=1}
```

方案一，处理字符串为全标准json

```
public static void main(String[] args) {
    String a = "{code=0000,charset=UTF-8, mId=51000001, rDesc=, cy=156, sendTime=20200316061253,cId=test-1, tType=01, pSt=02, oNum=TEST_1584339173825,pT=00, orSeq=20031614120015152511,omt=1}";
    //方案一，处理字符串为全标准json
    String b = a.replaceAll(" ", "").replaceAll("=", "\":\");

    b = b.replaceAll("\\{", "{");
    b = b.replaceAll("}", "}");
    b = b.replaceAll(",", "\\,");
    JSONObject data = JSON.parseObject(b);
    logger.info("b0:" + b);
    logger.info("b1:" + data.toJSONString());
}
```

方案一，程序输出

```
b0:{"code":"0000","charset":"UTF-8","mId":"51000001","rDesc":"","cy":"156","sendTime":"20200316061253","cId":"test-1","tType":"01","pSt":"02","oNum":"TEST_1584339173825","pT":"00","orSeq":"20031614120015152511","omt":"1"}
b1:{"charset":"UTF-8","code":"0000","tType":"01","oNum":"TEST_1584339173825","pT":"00","rDesc":"","mId":"51000001","orSeq":"20031614120015152511","sendTime":"20200316061253","St":"02","cy":"156","omt":"1","cId":"test-1"}
```

方案二，处理字符串为半标准json+Gson

```
public static void main(String[] args) {
    //方案二，处理字符串为半标准json+Gson
    String aa = "{code=0000,charset=UTF-8, mId=51000001, rDesc=, cy=156, sendTime=20200316061253,cId=test-1, tType=01, pSt=02, oNum=TEST_1584339173825,pT=00, orSeq=20031
```

```
14120015152511,omt=1}";
```

```
String bb = aa.replaceAll("=",":").replaceAll(":",":\\\"\\");  
logger.info("bb0:"+bb);  
Gson g = new Gson();  
JsonObject obj = g.fromJson(bb, JsonObject.class);  
logger.info("bb1:"+obj.toString());  
  
}
```

方案二，程序输出

```
bb0:{code:0000,charset:UTF-8, mId:51000001, rDesc:"", cy:156, sendTime:20200316061253,cld:  
est-1, tType:01, pSt:02, oNum:TEST_1584339173825,pT:00, orSeq:20031614120015152511,omt  
1}  
bb1:{"code":"0000","charset":"UTF-8","mId":"51000001","rDesc":"","cy":156,"sendTime":2020031  
061253,"cld":"test-1","tType":"01","pSt":"02","oNum":"TEST_1584339173825","pT":"00","orSeq"  
20031614120015152511,"omt":1}
```
