## 下载Beyond Compare

官方最新版Beyond Compare链接如下:

<https://www.scootersoftware.com/download.php>

Beyond Compare官网下载页截图

The screenshot shows the download page for Beyond Compare 4 on the Scooter Software website. The page has a navigation bar with links for HOME, FEATURES, DOWNLOAD, PURCHASE, and SUPPORT. The main content area is titled "Download Beyond Compare 4" and includes a "Select Platform" section with buttons for Windows, Mac, and Linux. Below this, it lists the current version (4.3.7, build 25118, released Oct. 2, 2020) and provides download links for macOS. It also lists included localizations: English, German, French, Japanese, and Chinese (Simplified). There is a section for "OLDER VERSIONS" (Version 4.2.10) and "BC4 EXTRAS" (Alternate color schemes, Additional file format downloads, Upgrade your license to this version). A "DID YOU KNOW..." section states that downloads are free 30-day trials that are unlocked for permanent use when a license is purchased. The footer includes the Scooter Software logo, copyright information (© 2020 Scooter Software, Inc.), and social media icons for Facebook and Twitter.

## 如何永久试用呢?

原文链接: [Mac 下 永久 免费试用 Beyond Compare\(世界上最好用的比对工具之一\)](#)

Beyond Compare每次启动初始化的时候会检测注册信息，试用期到期后就不能继续使用了。这时候如果我们把其保存的注册信息(也就是你试用了多少天的信息)干掉，就可以永久试用啦。那么思路就是：点击app启动->删除注册信息->然后真正启动app。

说这么多了，这会儿你应该下载完成了吧！来，赶紧安装一下(安装就不解释了哈！如果dmg,双击打，扔进appellation里如果zip，解压，扔进appellation里即可)一起实验一下可行性！

没下载完？！官网下载太慢了吧！来，我提供一个写该文章时的最新版吧

点击下载：<https://wwa.lanzous.com/iCcemix07e>

## 实现永久试用

- 找到安装路径 `/Applications/Beyond Compare.app/Contents/MacOS`

```
cd /Applications/Beyond\ Compare.app/Contents/MacOS
```

- 修改启动程序文件BCompare为BCompare.start

```
mv BCompare BCompare.start
```

- 然后我们再新建一个BCompare

```
vim BCompare
```

- 内容如下

```
#!/bin/bash
rm "/Users/${whoami}/Library/Application Support/Beyond Compare/registry.dat"
"dirname "$0""/BCompare.start $@"
```

- 保存文件(wq)
- 修改权限(增加可执行权限)

```
chmod a+x /Applications/Beyond\ Compare.app/Contents/MacOS/BCompare
```

- 大功告成(理论值)

## 测试我们的成果

双击我们的图标，可能有轻微觉得启动速度略慢一点点，但是感觉并不明显哈，重要的是的确可以永久试用啦！
