- 3. 个人随笔 (把以前小说的坑填上)
- 4. 语言学习杂谈 (应该会把韩语补上,尽量开俄语的坑)
- 5. 代码链接(一些莫名其妙的项目)

General outline

It is expected to open the following fields

- 1. Personal academic homepage (including resume, thesis, etc.)
- 2. Summary of application experience (mainly about the application for Ph.D.)
- 3. Personal essays (fill in the blank of previous novels)
- 4. Talk about language learning (Korean, Maybe Russian um)
- 5. Code link (some amazing items)
